SANS Mentor: @Work

Your team | Your site | Your pace

The Mentor@Work program is a great way to train your team at your location. It also allows the Mentor Instructor to customize the courseware and address issues/concerns specific to your organization. This unique program also offers the most flexibility for your organization and employees.

Features

- **Convenient – class held at your location**
- **Cost effective – reduced tuition fees, no travel expenses**
- **Hands on – small class sizes**
- **Tailored training – your organization, your topics**
- **Flexibility – class schedule to suit your workplace**
