NETWARS
CONTINUOUS

sans.org/netwars-rsa

NetWars Continuous is an online cyber range training program powered by the SANS expertise you trust.

We believe in learning by doing.
That's why NetWars Continuous provides 163 challenges spanning five levels to help you master the latest cybersecurity skills and tools at your own pace.

Available 24/7
Access NetWars Continuous online at any time, from anywhere.

Offensive and Defensive Training
Develop practical, hands-on skills that can be applied at work.

Game-Based Cyber Challenges
Power through interactive scenarios that create a fun and immersive experience.

All-Inclusive Subscription
Get all of the tools you need with your four-month subscription.
