Stephen's Pick for April

SANS 2015

sans.org/event/sans-2015

Please join us for **SANS 2015**, where we offer hands-on, immersion-style security training courses taught by real-world practitioners. This is one of our biggest events of the year, giving you countless opportunities to expand your network of security experts and friends, and you'll learn more than you can imagine. Our courses are packed with the techniques and tools that you need, and with over 40 courses available, there is something for everyone.

SANS 2015 also features our renowned evening events to enhance your training. Our impressive line-up of SANS @Night Series will include presentations on the most current topics in information security by some of the best speakers in the industry. Also, be sure to visit our Vendor Tools Expo & Reception where you'll see live demonstrations of cutting-edge technologies.

When you attend SANS 2015, you will see the SANS promise in action – what you learn in the classroom you will be able to use immediately upon returning to the office. Register today for SANS 2015. You don't want to miss it!
