SANS **PEN TEST HACKFEST** 2014

sans.org/event/sans-pen-test-hackfest-2014

I invite you to Washington DC this November for SANS Pen Test Hackfest Training Event and Summit. This event is the ideal way to take your penetration testing and vulnerability assessment skills to an entirely new level. Featuring top-rated, industry-leading experts sharing their best tips and advice, this must-attend event is focused on building your skills in providing super high-value in your work.

The following courses will be offered:

SEC542: Web App Penetration Testing and Ethical Hacking

SEC560: Network Penetration Testing and Ethical Hacking

SEC561: Intense Hands-on Pen Testing Skill Development

SEC573: Python for Penetration Testers

SEC642: Advanced Web App Penetration Testing and Ethical Hacking

Pen Test Hackfest Summit

NetWars - Tournament

As an added benefit, we'll also run an extended NetWars Tournament during the evenings of this training event. These sessions will give you more time than ever with SANS awesome NetWars challenge series to even further build your skills in a fun, interactive, hands-on fashion.

Other hacker and penetration test conferences cover interesting hacks, but only the SANS Pen Test Hackfest is focused on imparting skills you can directly apply to your next project. Don't miss this unique opportunity!
