Stephen's Pick for September

SANS Baltimore 2015

sans.org/event/baltimore-2015

Join us in Maryland for SANS Baltimore 2015 this September 21-26. Now more than ever, hands-on, immersion information security training experience will set you apart from others in the field. Our instructors will ensure that you not only learn the material but you can use it immediately when you return to your office. This is the SANS Guarantee that you will see in action at SANS Baltimore 2015.

Choose from these cutting-edge courses presented by real-world practitioners:

***NEW* SEC550: Active Defense, Offensive Countermeasures and Cyber Deception**

- Bryce Galbraith

SEC401: Security Essentials Bootcamp Style - Paul A. Henry

SEC503: Intrusion Detection In-Depth - Jonathan Ham

SEC504: Hacker Tools, Techniques, Exploits and Incident Handling - Adrien de Beaupre

FOR526: Memory Forensics In-Depth - Alissa Torres

This event also features bonus sessions including, "The Plinko Board of Modern Persistence Techniques", presented by Alissa Torres, and "Bust a Cap in a Web App with ZAP" by Adrien de Beaupre.

With a reputation for being the most trusted source for information security training and an eagerness to help you meet your training objectives, SANS is the best choice for IT security education. We look forward to seeing you there!
