"The SANS training I received and the GIAC Certifications I earned set me apart from my peers, and they have certainly propelled my career forward."

– Wacey Lanier
Senior Cybersecurity Advisor
The Garrett Group

3 Steps to a New Career in Cybersecurity

1 QUALIFY & APPLY

Take the qualifying exam, complete the application process, and interview with the admissions committee.

2 TRAIN & CERTIFY

Develop practical, hands-on skills by completing world-class SANS training courses. Earn GIAC certifications, recognized by employers around the world.

3 CONNECT WITH EMPLOYERS

SANS and our partners work diligently to connect participants with a variety of leading employer partners that are hiring information security professionals.
