

SANS Lunch & Learn Opportunities

SANS - the most trusted source for computer security training, certification and research.
SANS events attract a high-quality audience consisting of IT security decision makers and influencers in all industries. SANS Lunch & Learn opportunities provide you with a dedicated block of time to present to this audience. Whether it's a product demo, case study, customer experience or executive briefing you will have the opportunity to present your product/view/perspective to this important, influential and powerful audience.
