GUESS THE SECURITY GAPS

Identify 10 Security Gaps &
Enter to Win Prizes on Insight

The Insight Security Gaps Challenge is a fun and engaging way to test your security knowledge and identify areas for improvement. This challenge is open to all employees and is a great way to learn more about security and how to protect your organization's data and systems.

How to Participate:

- Identify 10 security gaps in your organization's current security posture.
- Submit your findings to the Insight Security Gaps Challenge.
- Win prizes for the most accurate and insightful findings.

Prizes include:

- Gift cards
- Travel vouchers
- Smartphones
- Tablets
- Smart TVs

Thank you for playing your part in keeping Insight and our customers safe!
