

Global Incident Response

Incident Response Challenges

- **Geographically dispersed IT and information assets**
- **Cloud data environment**
- **Diverse international legal requirements**
- **Immense data sets**
- **IR responder bandwidth**

Incident Response Solutions

- **Remote imaging and collection training for IT staff**
- **Running processes, indexing, hashing conducted remotely**
- **Systems that are responsive are tagged for local analysis if legal framework does not allow for removal of data**
- **Where no legal restrictions, if data elements small, posted to secure FTP**
