# What is F-Response?

- F-Response is an easy to use, vendor neutral, patent-pending software utility that enables an investigator to conduct live forensics, Data Recovery, and eDiscovery over an IP network using their tool(s) of choice.
- F-Response is not another analysis tool. F-Response is a utility that allows you to make better use of the tools and training that you already have.

# The mission

- The mission of F-Response is very simple, we are not in the imaging or analysis business. We are in the business of getting the data to you, and then getting out of your way.

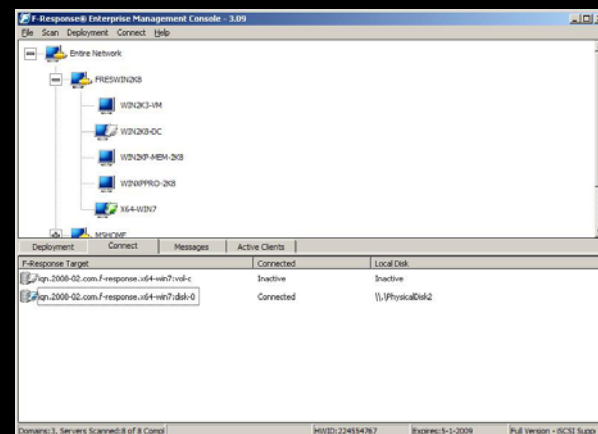

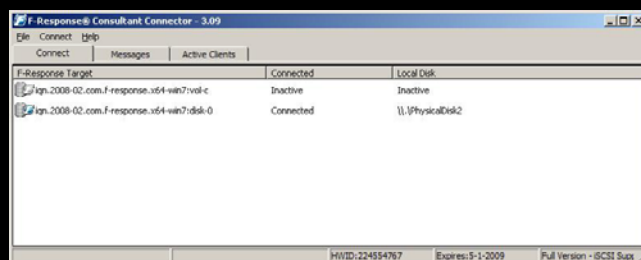

# Supported Platforms

- In the beginning F-Response supported.. 
- Now F-Response supports...

# Ease of Use

- In the beginning F-Response lacked a management console..
- Now F-Response Consultant and Enterprise edition have full management consoles.

# Available Targets

- In the beginning F-Response only supported:
  - Physical disks
- Now F-Response supports
  - Physical disks
  - Logical Volumes
  - Physical Memory\*

# International Audience

- In the beginning F-Response was available only in
  - English.
- Now F-Response is available in
  - Chinese
  - English
  - German
  - Spanish.

The image displays three side-by-side screenshots of the F-Response Enterprise Management console, illustrating the software's localization into multiple languages. Each screenshot shows a network map with a central server node and several client nodes.

| Language | Network Name      | Client Nodes   |
|----------|-------------------|--|
| Chinese  | 整个网络              | FRESWIN2K8, WIN2K8-DC, WIN2KP-MEM-, WINXPPRO-2K, X64-XPPRO     |
| German   | Gesamtes Netzwerk | FRESWIN2K8, WIN2K8-DC, WIN2KP-MEM-2K8, X64-XPPRO, MSHOME       |
| Spanish  | Toda la red       | FRESWIN2K8, WIN2K8-DC, WIN2KP-MEM-2K8, WINXPPRO-2K8, X64-XPPRO |

| Language | Table 1        | Table 2   | Table 3                    |
|----------|----------------|-----------|----------------------------|
| Chinese  | 部署             | 连接        |                            |
| German   | Bereitstellung | Verbinden | Nachri                     |
| Spanish  | Implantación   | Conectar  | Mensajes, Clientes activos |

| Language | Table 1    | Table 2     | Table 3                  |
|----------|------------|-------------|--------------------------|
| Chinese  | 机器名称       | Rechnername | Nombre de la máquina     |
| Chinese  | WORKGROUP  | WORKGROUP   | WORKGROUP                |
| Chinese  | MSHOME     | MSHOME      | MSHOME                   |
| Chinese  | FRESWIN2K8 | FRESWIN2K8  | FRESWIN2K8               |
| Chinese  |            | Domän       | Dominio/Grupo de trabajo |
| Chinese  |            | Gesamt      | Toda la red              |
| Chinese  |            | Gesamt      | Toda la red              |
| Chinese  |            | Gesamt      | Toda la red              |

# What hasn't changed?

- The price.
  - F-Response prices remain unchanged and are always available on our website.
    - [www.f-response.com](http://www.f-response.com)
- Licensing
  - F-Response licenses aren't limited by nodes, seats, or CALs. Use it as much you need throughout the term of your license.
- New releases
  - F-Response customers always get the latest releases, there is never an extra charge.

# Questions?
