Quaerere, invenire, intelligere, facere.

To seek, to find, to understand, to do.
Quaerere, invenire, intelligere, facere.

Search, find, understand them.

To seek. To find. To understand. To do.
1. Have **fun** and learn
2. **Network** with others
3. Most of what you see **can be shared**
4. **Abide by speaker wishes** for sharing
5. **We are videoing** so you don't have to
