The 8th annual Digital Forensics and Incident Response Summit will once again be held in the live musical capital of the world, [Austin, Texas](#).

The Summit brings together DFIR practitioners who share their experiences, case studies and stories from the field. Summit attendees will explore real-world applications of technologies and solutions from all aspects of the fields of digital forensics and incident response.

Call for Speakers- Now Open

The 8th Annual Digital Forensics and Incident Response Summit Call for Speakers is now open. If you are interested in presenting or participating on a panel, we'd be delighted to consider your practioner-based case studies with communicable lessons.

The DFIR Summit offers speakers the opportunity for exposure and recognition as industry leaders. If you have something substantive, challenging, and original to offer, you are encouraged to submit a proposal.

Benefits of Speaking

- Promotion of your speaking session and company recognition via the DFIR Summit website and all printed materials
- Visibility via the DFIR post-Summit on the SANS DFIR Website
- Top 8 presentations invited to do a full SANS Webcast
- Full conference badge to attend all Summit sessions
- Speakers can bring 1 additional attendee for free to attend the summit
- Private speakers-only networking lunches
- Speakers-only networking reception on evening before Summit
- *Presentations may also be recorded and made available via the Internet to a wider audience (at the discretion of SANS).
