SEC  
401

## Security Essentials Bootcamp Style GSEC

SEC401 is focused on teaching students the essential skills and techniques needed to protect and secure an organisation's critical information assets and business systems. Students learn the language and underlying theory of computer and information security and gain the knowledge needed to secure systems and organisations.

SEC  
504

## Hacker Tools, Techniques, Exploits and Incident Handling GCIH

SEC504 provides hands-on experience in finding vulnerabilities and discovering intrusions, whilst also equipping students with a comprehensive incident-handling plan. The course addresses the latest cutting-edge, insidious attack vectors as well as less recent attacks that are still prevalent.

FOR  
508

## Advanced Digital Forensics and Incident Response GCFA

During a targeted attack, an organisation needs the best incident response team in the field. FOR508: Advanced Digital Forensics and Incident Response will train you and your team to respond, detect, scope, and stop intrusions and data breaches.

### About SANS

SANS Cape Town runs from November 30th to 5th December at the Protea Hotel Breakwater Lodge and hosts 3 courses drawn from across the SANS curriculum.

Registration fees include all courseware and training materials plus morning and afternoon break refreshments and lunch served in the hotel restaurant. Accommodation is not included.

Training runs from 9am-5pm each day except for course SEC401 which finishes at 7pm Monday-Friday and 5pm on Saturday and course SEC504 which finishes at 7:15pm Monday.

The demand for places at SANS Cape Town is high so please register online as soon as possible to secure a seat at SANS Cape Town 2015.
