## SANS 2019 Summits

SANS Summits are two-day events focused on the most current topics in computer and IT security. Summit events are tailored to specific security topics such as cyber defense, leadership training, healthcare, penetration testing, and many more. Content is specific to trending security issues and provides attendees with a collaborative environment to share ideas, troubles, and solutions. Vendors looking to target a specific audience will find these events to be beneficial in connecting with attendees who are seeking guidance and solutions from industry experts.

## SANS 2019 Regional Events

SANS will be hosting various regional events throughout the nation in 2019. Our regional events provide your *local sales team* the opportunity to generate leads with minimal travel. These events average 6-14 classes and accommodate training for up to 300 cybersecurity professionals. Sponsorship of Regional events includes a Lunch & Learn on your choice of training day (Food & Beverage for 30 students included) and a tabletop during the Morning & Afternoon breaks for that day.
