• Industry panel
• Case study or expert discussion
• Closing address
• Networking lunch

SANS will be responsible for all event logistics (onsite and registration management)

How Sponsors Benefit
Sponsors will talk directly to security professionals tasked with defending their control system environments against adversaries.

What Attendees Say About Our Solutions Forum

“...I really liked the mix of Sales and Technical talks. I thought it was good for some of the groups to pair their space with technical folks. It balanced out the event nicely."

“...The speakers’ presentations were all filled with very useful data and were much more than mere marketing decks.”
