SANS Live Online Lunch & Learn

Live Online Lunch & Learns provides our sponsors the ability to present their capabilities virtually to both infosec professionals attending a SANS Live Online event as well as to the overall SANS community of cybersecurity professionals.

SANS Live Online Lunch & Learn sponsorships are now available for the following events:

- Cyber Defense Initiative 2020 | December 15 - 17, 2020

Details

- 45-minute virtual lunchtime presentation for up to 50 Live Online event attendees
- Live Online Lunch & Learn will also be available for registration to the entire SANS community on the SANS Upcoming Webcast page
- Upon conclusion, a recording of the session will be added to the SANS Webcast Archive page where it will continue to generate residual leads

- Sponsor will receive all leads from both Live Online attendees and registrants from SANS community
- Sponsor will also receive a copy of the Lunch & Learn session in mp4 format
- Total lead guarantee: **200+**

For more information on Live Online Lunch & Learns, contact a SANS representative at vendor@sans.org.
