WOMEN IN CYBERSECURITY

Women in Cybersecurity: Focus
on Career Paths

Friday, April 24th, 2020

Opt-in Lead Guarantee: 300+

This career-focused, half-day forum will cover the paths taken by successful women working in varied roles within the cybersecurity community. This forum will also include data from our associated [SANS Women in Cybersecurity Survey](#) as it addresses issues such as:

- Getting started in cybersecurity
- Valuable training experiences
- Making the most out of new opportunities
- Climbing the corporate ladder

The [SANS Women in Cybersecurity Forum](#) is expected to be heavily attended by females. This presents networking opportunities for sponsors seeking to diversify their workforces, as well as access to IT security influencers and decision-makers for future marketing opportunities.
