

## SANS Live Online Lunch & Learn

SANS has now converted our upcoming live training events to Live Online (virtual) events. As part of this conversion, SANS is pleased to announce the addition of our new Live Online Lunch & Learn sponsorships. This provides our sponsors the ability to present their capabilities virtually to both infosec professionals attending a SANS Live Online event as well as to the overall SANS community of 400,000+ cybersecurity professionals.

SANS Live Online Lunch & Learn sponsorships are now available for the following events:

- [SANS Security West 2020](#) | May 12 - 14, 2020
- [SANSFIRE 2020](#) | June 16 - 18, 2020

### Details

- 45-minute virtual lunchtime presentation for up to 50 Live Online event attendees
- Attendees who register for the Live Online Lunch & Learn will receive:
  - Information about the sponsor (provided by sponsor)
  - Entry to win a \$100 Amazon gift card (provided by SANS)
- Live Online Lunch & Learn will also be available for registration to the entire SANS community on the [SANS Upcoming Webcast page](#)
- Upon conclusion, a recording of the session will be added to the [SANS Webcast Archive page](#) where it will continue to generate residual leads
- Sponsor will receive all leads from both Live Online attendees and registrants from SANS community
- Sponsor will also receive a copy of the Lunch & Learn session in mp4 format

For more information on Live Online Lunch & Learns, contact a SANS representative at [vendor@sans.org](mailto:vendor@sans.org).
