Solutions Exposition:  
June 7-8, 2018

Event Dates: June 7- June 14  
Hilton Austin  
Expected Attendance: 150-200

SANS expositions create environments where our sponsors can introduce their products and services to the SANS community of cybersecurity professionals. Our attendees immediately understand the value you provide and are likely to have influence over purchasing decisions. SANS provides the training our community requires and you provide the tools.

## SANS Solutions Expositions: Better Audience, Better Service, Better Experience

"The staff at SANS tirelessly helps our company achieve maximum exposure and success during SANS event through creative and cost effective exhibiting options. Their full-service approach makes for stress-free booth experience, and allows us to focus on connecting with highly qualified attendees".

- VMRay

The annual SANS Digital Forensics & Incident Response (DFIR) Summit is the most comprehensive DFIR event of the year, bringing together an influential group of experts, immersion-style training, and industry networking opportunities in one place. Over the course of this eight-day training event, you'll enjoy:

- Highly technical digital forensics and incident response presentations from the industry's top practitioners during the two-day Summit.
- Nine SANS DFIR courses to choose from to advance your training, build your arsenal of defenses and learn how to better protect your organization.
- One of the biggest DFIR NetWars tournaments of the year! Sharpen your skills and solve incident-related challenges while competing in a friendly environment.
